JACKSON COUNTY. WELCHBURG.

The Republican primary to nominate candidates for circuit judge and Commonwealth's attorney passed off quietly here Saturday, July 25. There were only two drunk men on the election grounds, quite an uncommon thing for a primary election. We have not received the official count yet, but the report at present is that Judge Faulkner has a majority of nearly 4,000 over J. L. Isaacs for Circuit Judge. Several schools in this part of the county opened the 20th with fair attendance. Oats harvest and haying are over, so the attendance will be much better for two or three months while the weather and roads are favorable. George Collier, who has been in poor health for quite awhile, is very low. His recovery is doubtful. He is under the treatment of two skillful physicians, Drs. Goodman and Pennington. Rev. W. H. Langdon preached at Conway church last Sunday.

KERBY KNOB.

The recent rains, are not too late to bring corn and other things out a great deal. The lumber mill, owned and controlled by Messrs. Dearborn and Landrum, and which came to this place lately is nearly ready to begin sawing. Mr. W. J. Dougherty will go to Valley View to-day to search for a new home. Mr. and Mrs. Speed Harrison, with their two little grandchildren, visited a number of relatives and friends here last week. Mr. and Mrs. H. N. Deane visited Mrs. Deane's parents Saturday and Sunday. The Sunday-school at Kerby Knob made some changes in officers recently. Mr. R. W. Dougherty was elected Superintendent and Mr. C. C. Hudson teacher of the advanced class. Uncle Ben Durham's large family of children, although widely scattered, all came together again at his funeral. Uncle Ben's sufferings are now past and he enjoys perfect happiness, for his life here was harmless and peaceful. He attended church as long as he was able and even after he became very feeble. Although the meetings held at Oak Grove by Rev. Mr. McIntosh resulted in no professions doubtless much good was done.

OWSLEY COUNTY. GABBARD.

Uncle Henry Gabbard is very poorly at this writing. Clova Green has the rheumatism. Corn crops are now being relieved by the local showers. Charley Eversole, of Cow Creek, is teaching on Island Creek, this year. Lee Gibson is teaching his home school, at Midway, at the mouth of Cow Creek. Mrs. C. B. Moore is sick with typhoid fever. C. Abel Wilson, of Cow Creek, and Callie Murrel were married last week. Sherman Rowland, of White Oak, passed through here last week with 180 head of sheep. Allen Davidson is going to Frozen Creek, Breathitt county, to run a saw mill for a tie and lumber company. Irvine Huff and Harrison Campbell, of Confluence, Leslie county, are visiting relatives at this place. In the primary election last Saturday, to nominate a Circuit Judge and Commonwealth's attorney, H. C. Faulkner was nominated for Judge, by a handsome majority over J. L. Isaacs. William Lewis was nominated for Commonwealth's attorney without opposition. Hip O! Hi O! You go—o for THE CITIZEN—O! Hurrah! Hurrah! for THE CITIZEN O!

Mrs. John Harden from Ford, Ky., is visiting Mrs. Allmina Harden at this place. Mr. Ham Jordan had a fine cow killed by the train Saturday.

Shouse, of Berea, has been called to preach the dedicatory sermon. Quite a number of people from this place attended church at Silver Creek last Sunday. COUNTY SUNDAY-SCHOOL CONVENTION.

About twenty-five people from Berea went to Kirksville, on Wednesday, the 29th ult., to attend the County Sunday-school Convention. The convention was reported as being a very successful one. Those from Berea who spoke were Prof. L. V. Dodge, Co. President; Rev. H. M. Shouse and Meadames Yocum and Frost. Special pieces of music were rendered by Misses Hanson and Woods, Mrs. Hinman and Messrs. Gamble and Horton.

The officers chosen to serve for one year from Jan. 1st next were: President, W. L. Crutcher, Richmond; V. President, C. R. Boucher, Richmond; Sec'y. and Treas., Miss Bettie Brock, Richmond. The present officers continue until Jan. 1st, as follows: President, L. V. Dodge, Berea; Vice-president, V. H. Hobson, Richmond; Sec'y and Treas. E. Deatherage, Richmond.

This was the sixth county convention which has been under the supervision of Prof. L. V. Dodge as president, though not all in consecutive years. By his untiring efforts the complete organization of every magisterial district has been effected and each one has held its own district convention this year. Madison is thus a banner county and every effort

must be put forth that it may hold its place. The next great Sunday-school event will be the State Convention at Lexington August, 18-20. Those intending to go from this county should secure credentials from the county president or secretary.

A Removal.

Taken with Cramps.

Wm. Kirmse, a member of the bridge gang working near Littleport, was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicines. Elkader, Iowa, Argus. This remedy never fails. Keep it in your home, it may save life. For sale by S. E. Welch, Jr.

THE DORF'S BLACK-DRAUGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. The Dorf's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original The Dorf's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and \$1.00 packages.

Morgan, Ark., May 25, 1901.
I cannot recommend The Dorf's Black-Draught too highly. I kept it in my house all the time and have used it for the last ten years. I never gave my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.

WAIT FOR THE WAGON

Did you spend your childhood in the country?

The engineer with his hand on the throttle of the Empire Express. The admiral on the quarter deck of a war ship. King Edward on the throne, may glow with pride and pleasure, but their feelings are tame in comparison with the unutterable delight that thrills the small boy, who is permitted unassisted to climb the wheel and perch on the seat of a STUDEBAKER WAGON. I am proud to sell it.
